Brand New Book ***** Print on Demand *****.Did you know that music has the power to increase your child s intelligence? Scientific studies at some of the most respected universities in the world indicate that children introduced to classical music at a young age read earlier and perform better on achievement tests. Inside, respected educator, Sharlene Habermeyer gives you a simple, step-by-step program that any parent can follow. You ll discover how introducing your children to good music can: accelerate language development, improve math and science skills, increase memory and concentration, improve reading comprehension and retention, enhance physical coordination and benefit children with learning disabilities and more. This book is a powerful guideline for any parent who wants to help their child develop into a bright, well-rounded and confident adult. ` With a scientist s eye and an artist s voice, Habermeyer examines everything from the benefits of music for the developing brain to music s ability to improve cultural awareness. This is an encyclopedic, invaluable resource for anyone who believes in music education. A magnum opus, fact-filled and inspiring, on the benefits of music. ` -Kirkus Indie, Kirkus Media LLC ` This book outlines why music is important to learning, and provides parents with excellent suggestions for launching and sustaining a musical influence in the lives of their children. ` -James S. Catterall, professor of education and co-director of Imagination Project at UCLA. This book is a well-crafted look at the importance and many benefits of music in our children s lives at home and school. It is an enjoyable, lucid, and informative read for anyone who wants to better understand or make the case for the value of arts education in our schools. ` -Tim Seldin,...
