Three Doctors teaches parents how to raise successful, godly children. Each stage of childhood and into the teenage years is discussed. Many topics of child rearing are covered including godliness, homeschooling, discipline, and learning to read. Three Doctors teaches parents how to encourage their children to become all that they can be. University education is stressed and encouraged. Parents are given useful guidance to enable their children to become professional members of society who are intelligent, caring human beings. The importance of allowing God to guide and direct the parents lives and the lives of their children is stressed. People who have not yet become parents should read this book in preparation for their future roles. Parents of teenagers need to read how to have young people who are confident and content with who they are. Grandparents can also learn how to be a tremendous help in the training of their grandchildren. Three Doctors can change the future lives of many of our young people. In today s world we see so many young children living wild and disobedient lives. We see teenagers making grave errors that remain with them for their entire lives. Godly children need to be raised to become useful and contributing members of society. Parents can learn how they can have a vital role in seeing their children become all that God wants them to be as they teach and mold the children God has given into their care.
