Pavilion Books. Paperback. Book Condition: new. BRAND NEW, Law's Strangest Cases: Extraordinary but True Tales from Over Five Centuries of Legal History, Peter Seddon, A rollicking collection of barely believable stories from five centuries of legal history - you'll be gripped by these tales of murder, intrigue, crime, punishment and the pursuit of justice. Meet the only dead parrot ever to give evidence in a court of law, the doctor with the worst bedside manner of all time, the murderess who collected money from her mummified victim for 21 years, and explore one of the most indigestible dilemmas - if you'd been shipwrecked 2,000 miles from home, would you have eaten Parker the cabin boy? The tales within these pages are bizarre, fascinating, hilarious and, most importantly, true. Revised, redesigned and updated for a new generation of legal eagles, this book is the perfect gift for lawyers, armchair detectives and true crime aficionados everywhere. Word count: 45,000.
