Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE CASE OF THE MORGUE THE MERRIER (PAPERBACK)

Xou Pty Ltd, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The kid s in a state - and if he doesn t play his cards right that could read Islamic State. Terrorists want to recruit him but he s too terrified to oblige. Instead he calls in Rainbow who finds himself in the thick of an affair that threatens to end in a bloodbath. Can Rainbow prevent it? How can his gorgeous former girlfriend help? Is Babychino - the beautiful dame who suddenly bee-bops into his life, complete with equaliser - all she s cracked up to be? And what s happened to his daughter Imogene? As Rainbow wades deeper into the mire, the case assumes what his Aunt Rube calls the colour of memory - indigo. Or should that be indigo, indicio or - as the one-legged assassin Rory has it - in-he-go? One thing s for sure, the morgue has never been busier . The Case of the Morgue the Merrier, the sixth novel in the sensational Mister Rainbow series, is a modern story with a wink and a nod to the golden age of pulp fiction. With its memorable characters, witty dialogue and fast-paced plot, it signals the arrival of an arresting new Australian talent. Praise for Mister Rainbow The Mister Rainbow series, in all its glory, is a real little gem. Karen Chisholm, The Newtown Review of Books Mister Rainbow is that rare creature - a PI with depth. Down at heel, shabby, inept - he s a born loser, at his best when the odds are stacked against him. Somehow, in a taut contest, he wins. Barry Oakley, novelist and former literary editor of The Australian.
