By Jacob Oluwatayo Adeuyan

AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a high profile reference book on the ordeal and ugly situations that befell the African continent; its people; its economy and why it was impossible for the continent to achieve much in the areas of scientific fit, natural development and social backwardness when it is to be compared to other continents of the world. African people are never lazy folks as it was erroneously believed and propagated by some nationalities from other places of the world. If history was to be believed, African continent was one of the first places of the world where civilization and technology started even when others from other regions of the world were still looking for what to hold to support their walking exercise. Africa was one of the first fast growing Continent of the world in the acquisition of science and other human related knowledge, the study of solar system and other planets from its God given bank of knowledge. Universities of Timbuktu and Cairo is in a better position to attest to this fact from their records. The turn...
