

A Coloring Book: Drawings by Andy Warhol

By Andy Warhol, Arthur Edelman

Thames & Hudson Ltd. Paperback. Book Condition: new. BRAND NEW, A Coloring Book: Drawings by Andy Warhol, Andy Warhol, Arthur Edelman, It was 1953 when, not long after arriving in New York City, a young artist named Andy Warhol had begun to make his way in the world of commercial illustration. As Arthur Edelman, his former employer, relates in his introductory note, in a hallway of the Empire State Building stood a young man with Jackson Pollock shoes, a rumpled black suit, a portfolio, and a shock of white hair. Over several years, the Edelmanns and Warhol worked closely together. Their relationship culminated in a coloring book that could have only come from the mind of Warhol, created especially for clients children for Christmas in 1961, and somewhat of a cause celebre when it was published in 1990. Now back in print, "A Coloring Book: Drawings by Andy Warhol" will amuse and charm a new audience with its delightfully carefree animal drawings, revealing the whimsical side to his creativity.
