Mr. Clowes s Pamphlet: Or, Swedenborgianism Displayed In the year 1806, the Rev. Mr. Clowes, who is considered as at the head of the New Jerusalem Church in England, published a pamphlet with the following title: A Few Plain Answers to the Question, Why do you receive the Testimony of Baron Swedenborg? addressed from a Minister to his Congregation. The following extracts are taken from the fifth volume of the Christian Observer, page 861, c. in which the pamphlet of Mr. Clowes is reviewed. Unquestionably it would be hard to deny to any clergyman the liberty of defending from the press the doctrines which he inculcates from the pulpit, and to furnish his flock with an answer to those who may ask them a reason of the peculiar hope which is in them. We have no complaint therefore against the general object of the present publication, and as little against the spirit with which it is written.
