McSweeney s Publishing, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Having spent most of his life medicated, electroshocked, and institutionalized, Jerome Coe finds himself homeless on the coldest night of the century -- and so, with nowhere else to go, he accepts a ride out of New England from an old love s ex-girlfriend. It doesn t quite work out, but he makes it to New Orleans, and a new life -- complete with a bandaged hand, world-champion grilled-cheese sandwiches, and only the occasional psychotic break. Things get better, and then, of course, they get worse. From a writer who s worked as a debt collector, book restorer, toilet scrubber, and door-to-door vacuum-cleaner salesman, *Fever Chart* is filled with a cast of Crescent City denizens that makes for one of the most vivid ensembles since Toole s *A Confederacy of Dunces*.
