

Murach`s JavaScript and DOM Scripting: Training & Reference

By Ray Harris

Shroff Publishers/Murachs, 2009. Softcover. Book Condition: New. 18 x 24 cm. Want to create websites that deliver the fast response times, dynamic user interfaces, and special effects that today`s users expect? Then this is the book for you! Whether you`re just starting out in JavaScript or whether you`re ready to move into DOM scripting, it gives you the skills you need. Here`s how: 1: It`s 2 books in 1: A JavaScript book and a DOM scripting book Most books cover JavaScript or DOM scripting. But to create user-responsive sites, you need to know both. So the first half of this book is a course in JavaScript essentials. Then, the second half is a course in DOM scripting that gives you a clear understanding of how DOM scripting works, how JavaScript underlies it, and how to use it to build applications that run slide shows, use drop-down menus, rotate headlines, sort tables, provide animation, and more! That means you can gain basic to expert skills in a single book. 2: It provides a fast start Section 1 is a crash course in JavaScript. In fact, by the end of chapter 3, you`ll know how to code, test, and debug applications that...
