Symphony of the Earth (Paperback)

By Johannes Herman Frederik Umbgrove

Springer, Netherlands, 1950. Paperback. Book Condition: New. 1950 ed.. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.On several occasions I have been asked whether topics of earth science could be explained in more or less conventional prose. Of course this can be done. I hope chapter I meets with the most extreme wishes in this respect. I even venture to believe that chapters II, IV, VI and VII can also be digested without special strain. Though chapter V, and parts of chapter III may require a special effort of concentration on the part of the reader, there should be nothing in this book that cannot be understood by an intelligent person who is willing to try. Sometimes, however, the use of technical terms cannot well be avoided without affecting the meaning and accuracy of the ideas. However, I have attempted to restrict the use of these terms to a minimum. Moreover most scientific expressions and terms will be explained when used for the first time and when occurring again one will find a reference to these places in the index. Finally a list of the names of geological formations...
