ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab Mastering products. Packages Access codes for Pearson's MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Modular, Manageable, Meaningful - help your students discover the life span. Discovering the Life Span, 3/e by Robert S. Feldman helps students truly connect to the material. Written in an engaging and accessible style and organized in a modular format, this title allows instructors to cover the entire life span without having to sacrifice content throughout their course. Students will get a better sense of the entire process of development and understand how the domains of development work together. Discovering the Life Span is a meaningful learning experience that prepares readers to apply content to their personal and future professional lives. MyPsychLab is an integral part of the Feldman program. Engaging activities...
