Central Middlesex: (Where There May Be Very Little of It, But Are Many Nice People and Places to See)--Va, a Strange Deja Vu: A Photographic Essay Vol. 2 of 4 (Paperback)

By MR Allen R Brockman

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a compilation of more than 80 black and white photographs of historical, natural, and modern sites, people and things in one of Virginia's most interesting counties-Middlesex-on the Rappahannock River and Chesapeake Bay-with particular focus on the central part of the county (near where the author lives) and elsewhere. The area is not on one of Virginia's interstates, which is all the more reason to take a leisurely drive up or down U.S. 17 and take a visit. You may never want to leave! Some of the more interesting photos in volume 2 were taken at the River Birch Animal Farm-a must see for any County visitor! Here, there are llamas, emus, miniature horses, turkeys, peacocks, mama and baby donkeys, goats, guinea fowls, and a variety of ducks, geese, and chickens. Previously, the author wrote a 2-volume biography on President James Monroe (Old Portrait New Frame).
