Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For those of you who don t like cats, you are in luck; this is not a book about cats. It is just a catchy title. Sorry cat lovers. It s a journal kept by an angel of the people in a little town in the Rocky Mountains; snapshots taken from the 1830s to the present. For those of you who don t like people, this book might give you a new appreciation for those around you. Or maybe not depending on just how grouchy you really are. If that is the case, I wouldn t worry about anyone liking you anyway, unless you have a lot of money; then they will still talk behind your back. Go ahead and read my book in private. You wouldn t want anyone to actually see you laugh. As for the rest of you, I hope you get as big a kick out of reading this as I had writing it. I have driven my wife and all of her relative s crazy, so now it s your turn. My name is Griffin Marcus. I am the guardian angel of Parker Town. The stories in this book are taken from people I have met or observed as a fly on the wall angel. Snippets of ordinary folks doing extraordinary things or just caught being themselves. I love them all. It s a great job.
