

Sleezy the Fox: Omnibus Edition (Paperback)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Createspace, United States, 2014. Paperback. Book Condition: New. Dave Bradbury, Joel Stephen Breeze (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As a growing child, the one thing that I experienced in abundance was second chances. In fact, I d go as far as to say that without having had my fair share of second chances, my life would have taken a much different course. Second chances were my life saver! Not surprisingly, one of my favourite books was Victor Hugo s Les Miserables, a story that was chiefly responsible for transforming me from Thief to that of Probation Officer in later life. I was also fascinated by the bible story of Christ telling His followers to turn the other cheek in circumstances where it seemed more natural to strike back. I eventually came to understand that the instruction of Christ to turn the other cheek wasn t so that the offender might strike you once more, but to afford him/her a second chance not to strike you again. Wherever the fault lies, whatever the character trait requiring changing happens to be or however the behaviour needs improvement, being provided with a second chance is essential to one s overall sense of well being. It may be that losing weight is what is required to getting a second chance at life or giving up smoking or abstaining from alcohol or drugs. One may need to address one s inappropriate behaviour of aggression, distrust, bullying, dishonesty, name calling or anything which adversely affects one s life and image. Whatever the unhappy state of being, a second chance may be what one requires to either give or receive. Sleezy the Fox is a book of four stories about the overarching theme of second chances
