*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

It's only ten years of his life, and he can do that to keep his mother and sisters from becoming blood whores. He never expects to be put up for auction in a sex market by his new master. He also doesn't expect his buyer to be a sweetheart from his past, who bailed on him when it mattered the most. Adam doesn't know whether to be relieved and kiss him, or punch the man's beautiful face. Alpha wolf Mason Cayne never thought he would see Adam, gorgeous, sweet, and innocent Adam, in a whore house. His first instinct is to buy him and finish what they started seven years ago. Thanks to Adam's stepfather, the vampires want to collect Adam personally. Now Mason must decide if the puppy love he once shared with Adam is worth risking the lives of everyone in his pack. \*\* A Siren Erotic Romance.
