## UNDERSTANDING TX INSURANCE

Texas A & M University Press. Hardback. Book Condition: new. BRAND NEW, Understanding Tx Insurance, Caddy-D, Insurance is everybody's business and touches the lives of nearly all Americans. In succeeding chapters, Caddy explores such topics as term versus whole life insurance, private versus group health insurance, and specific coverages available under a typical personal auto policy. The author concludes with an examination of certain social issues, such as unisex insurance and nuclear insurance, and their implications for the future. For further guidance, he has also included several...
