Brand New Book ***** Print on Demand *****.Excerpt from The Weird Orient: Nine Mystic Tales In introducing to the general public a writer who ha heretofore been known chiefly among the people of his own race, his publishers may perhaps be permitted to say a word. Rabbi Iliowizi is a Hebrew of pure lineage, the son of a zealous member of the Chassidim, a Kabbalistic sect numbering over half a million members in Russia, Roumania and Gallicia, but rarely met with in this country. He passed his infancy and boyhood in the Russian provinces of Minsk and Moghileff, and in Roumania, growing to manhood and receiving his education at Frankfort-on-the-Main, Berlin and Breslau, where he qualified himself for a theological career. After six years of study in Germany, he spent some four years more perfecting his training in modern languages and in Arabic and Hebrew in London and Paris, under the auspices of the Anglo-Jewish Association and the Alliance Israelite Universelle, as a preparation to take charge of one of the outlying mission stations maintained by these affiliated societies in the Orient, where they support some fifty schools for the benefit of their oppressed co-religionists.
