

Rethinking Classroom Design: Create Student-Centered Learning Spaces for 6-12th Graders (Paperback)

By Todd Finley, Blake Wiggs

ROWMAN LITTLEFIELD, United States, 2016. Paperback. Book Condition: New. 228 x 151 mm. Language: English . Brand New Book. Have you ever entered a building or room for the first time and felt enhanced--felt your body relax and spirit elevate? The effect of human-made environments on learners brains is not subjective. According to research studies, we all have measurable responses to the design of a space. However, despite the many resources discussing how to decorate and design elementary school classrooms, few resources on middle and secondary level classroom design are available. This book fills that gap. Moreover, the purpose of this guide is to enhance learning spaces, boost student performances, and positively extend teachers influence.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- **Prof. Kirk Cruickshank DDS**
