MY LIFE AND WORK

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 198 pages. Dimensions: 10.0in. x 8.0in. x 0.5in. My Life and Work By Henry Ford Complete New Edition In Collaboration With Samuel Crowther Henry Ford (July 30, 1863 April 7, 1947) was an American industrialist, the founder of the Ford Motor Company, and sponsor of the development of the assembly line technique of mass production. Ford did not invent the automobile, but he developed and manufactured the first automobile that many middle class Americans could afford to buy. His introduction of the Model T automobile revolutionized transportation and American industry. As owner of the Ford Motor Company, he became one of the richest and best-known people in the world. He is credited with Fordism: mass production of inexpensive goods coupled with high wages for workers. Ford had a global vision, with consumerism as the key to peace. His intense commitment to systematically lowering costs resulted in many technical and business innovations, including a franchise system that put dealerships throughout most of North America and in major cities on six continents. Ford left most of his vast wealth to the Ford Foundation and arranged for his family to control the company permanently. Ford was also widely known for his pacifism during the first years of World War I, and also for being the publisher of antisemitic texts such as the book *The International Jew*. We have only started on our development of our country we have not as yet, with all our talk of wonderful progress, done more than scratch the surface. The progress has been wonderful enough but when we compare what we have done with what there is to do, then our past accomplishments are as nothing. When we consider that more power is used merely in...
