Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Just like life in the real world, it pays to have connections. Knowing the right people can help launch careers that may not have gotten off the ground otherwise. Those connections don't just bring opportunities but a wealth of knowledge as well. This experience can be especially helpful when you are entering the foreign world of professional sports for the first time. Having that extra knowledge from either first-hand experience or learning from a family member or friend is invaluable and can provide a significant advantage for those who possess it. And when it comes to an industry where fractions of a second can be the difference between success and failure, you can certainly use any edge you can get. In this book, I aim to help fill in the informational gap that first-time athletes and parents of athletes face when entering the sports world for the first time. For those people that do not have the personal experience or connections needed when trying to navigate through the countless challenges that come with being an aspiring professional athlete. However, this book brings to light some of the most important and unspoken issues within the sports world and is something that even the most seasoned athlete can benefit from reading. Even if it's only a few things that you can take away from the book. Those few things may save you from years of heartache and pain. Or more importantly those few things may be that fraction of an edge that you need to help you become a successful athlete. I will provide helpful tips and tricks that either myself or other professional athletes have learned through...
