Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My Little Red Book on Getting Older is an insightful and quirky look at the natural process of aging and society's perception and treatment of the elderly. It is not a manual; nor is it a guidebook. The author believes that each person is a journey unto himself or herself and must plot a path all his or her own. Witty and engaging, the book provides inspiration and a fresh look at an age old topic. Part of the My Little Red Book series.
