

The Black Cloud (Valancourt 20th Century Classics) (Paperback)

By Sir Sir Fred Hoyle

Valancourt Books, United States, 2015. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. One of the greatest works of science fiction ever written. - Richard Dawkins Without a question the most intelligently written science fiction story I have ever read . . . A terrific yarn. - Charlotte Observer An eerie story which demands the reader s attention from start to finish. - Denver Post [A] rattling good story . . . a really thrilling book. There is a largeness, generosity, and jollity about the whole spirit of the book that reminds one of the early Wells at his best. - G. S. Fraser, New Statesman Astronomers in England and America have made a terrifying discovery: an ominous black cloud the size of Jupiter is travelling straight towards our solar system. If their calculations are correct, the cloud s path will bring it between the Earth and the Sun, blocking out the Sun s rays and threatening unimaginable consequences for our planet. With the fate of every living thing on Earth in the balance, world leaders assemble a team of brilliant scientists to figure out a way to stop...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
