

The Sabbath (Classic Reprint) (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Sabbath Shulammite in the Song of Songs exclaimed: Look not upon me that I am swarthy, for the sun has tanned me. Those words rose to my mind when I decided to write the following essay on The Sabbath. This first and most sacred Institution of the Jewish nation has, in the course of history, passed through so many transmigrations, and has received so many misinterpretations both by religious fanatics and heretics, that its true meaning and merits are no longer appreciated, and the people can no longer derive from this glorious and ancient Institution the benefits and blessings it was supposed to confer upon them. I therefore cherish the hope that the following sketch will serve some useful purpose, will at least induce some of its readers to devote to this subject a few moments of serious thought. It is gratifying to state that there are at the present moment two strong movements, which strive to restore to the Sabbath its ancient, its original, dignity and influence. One is known by the name of Oneg Sabbath, with its headquarters in Tel-Aviv, the other is spreading rapidly with the slogan of Shomre Sabbath, it is controlled by a strong and influential Committee in Berlin under the presidentship of a well-known scholar, Dozent Dr. Samuel Crunberg. A great and imposing Mass Meeting in favour of the Shomre Sabbath, which took place in Berlin on the 16th of February, was addressed by a number of leading Rabbis and scholars. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work....
