Now he's closer than ever to killing the man responsible, the cruel king of Arden. With time running out, Ash faces an excruciating choice: Can he use his powers not to save a life but to take it? Abandoned at birth, Jenna Bandelow was told that the magemark on the back of her neck would make her a target. But when the King's Guard launches a relentless search for a girl with a mark like hers, Jenna assumes that it has more to do with her role as a saboteur than any birth-based curse. Though Jenna doesn't know why she's being hunted, she knows that she can't get caught. Eventually, Ash's and Jenna's paths will collide in Arden. Thrown together by chance and joined by their hatred of the ruthless king, they will come to rescue each other in ways they cannot yet imagine.
