Bill is your normal, everyday maintenance guy. Sort of. At least up until his employer promoted him to regional maintenance supervisor, so now he travels all over the southeast, making a list and checking it twice. And he's driving back to check out Pleasant Palms again, a large apartment complex nestled around a lake on Florida's eastern coast and with some rather surprising results. He meets the newest resident, a bubbly girl named Tanya, over an impromptu phone call, and grows curious about her, leading to many unexpected and charming encounters in the workaday life of Mr. High Maintenance. The erotic and the exotic simultaneously fuse together in this honest tale of one man's quest for a strange and vis--vis encounter. This novelette is intended for mature audiences. This item ships from La Vergne, TN. Paperback.
