## FINDING DADDY (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My journey began 24 years ago.Throughout my childhood and teenager years I was engulfed with endless answers to the questions, WHY ? Why was I without a father, compared to all of my friends? Why did I have to go without a father to take me on daughter/father functions ? I wondered why my father was not there to tell me about the birds and the bees after I began to like boys. I wondered why I dated older men and was attracted to them. I asked Him to allow me to connect with my biological father. I battled many disappointments: no response to mail, phone calls, or visits.Yet, I kept my faith and persevered with an assurance I would meet my father one day. I met a man in 1997 named Derick Gibbs. He was there for me during many tearful, restless and fatherless nights. i truly love, admire and appreciate my husband for understanding, encouraging and supporting me at the most difficult time in my life. My husband embraced me with laughter and said, I understand but it is time to grow up baby; you can call me daddy. Just smile. I appreciated and loved my husband for all the support...
