1.9in. Just 20 years ago, the Web went world wide and you

could count the number of Web sites on one hand. Today,

there are about 9 billion active Web sites, with thousands more going live every day. Creating a Web site can be a great way to

market a new product, promote your business plan, promote yourself, or simply share a few details about your life with the

world. How to Build Your Own Web Site With Little or No Money

can show you how. You will learn how to buy a domain name and host your Web site for less than 15. You will learn how to

use open source software like WordPress, Joomla!, and Mambo to create a platform on which you can build near anything you

want. You will learn how blogging has made Web site creation easier than ever and how sites like Squidoo, Facebook, and

MySpace allow you more freedom to build traffic and draw

attention to what your site at any given time. This book details

which free Web site resources to avoid, as well as how to...
