Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Excerpt: . . . of letters--but who might have cribbed the invention, and with it the patent and royalties, from the estate of his seventieth great grand-uncle, who was probably Adam. There is nothing new under the sun, save it be the willingness of writers to acknowledge the truism. Benjamin Musser. A GOSPEL OF REALITY While The French and German armies remained in grim opposition across the narrow but celebrated little stream, the Yser, a French school-girl of fourteen wrote a composition as follows: There is a river so narrow that it is perfectly easy to talk with one on the opposite bank, so small that a swallow could cross it at a single stroke of the wing--and yet its two sides are as far apart as the poles, because they bristle with hate. There is an ocean so broad that the strongest sea-gull would not attempt the whole flight and the giant steamships require a week to plow through its mighty waves--and yet, so near are its opposite shores to each other that the slightest whisper spoken on the American shore can be heard on the shore of France. Thus did the war unite in the Bonds of the Spirit multitudes in France and in the United States. If any one would come and preach to us a Gospel of Reality, we should be glad to hear it--this was the challenge from a French working-man, which Robert McAll, an English pastor, answered in person by forming the...
