The Jews say, The Christians are unto nothing (of the truth) and the Christians say, The Jews are unto nothing (of the truth) in spite of the fact that they (both) recite the Book. Likewise, those who have no knowledge (the ignorant amongst the followers of Prophet Muhammad) say the same. [The Holy Quran 2:113] The All-Embracing Message of Islam attempts to reflect a glimpse of the Message of mercy and moral character brought forth to humankind through all Prophets from Adam till Muhammad (PBHH). It is a gift to all those who seek love, peace, and happiness on their journey through life. This compelling insight is told from the point of view that sins are meant for seeking forgiveness as the mercy of God preceded His anger: He is a merciful God for all people. Sprinkled with quotes from Prophets and God Almighty's teachings, the author has shared a message of peace, love, and coexistence that is most welcome in today's turbulent world. It is also pointed out and discussed that the Prophet Muhammad was most likely the finest and greatest teacher in history with regard to the school of human life. The All-Embracing Message of Islam is a gripping tribute to his message in the hopes that humankind will once again renounce tension and enjoy mercy, love, and peaceful coexistence.
