Reviews

*This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CITY OF THE BEASTS

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, City of the Beasts, Isabel Allende, An ecological romance with a pulsing heart, equal parts Rider Haggard and Chico Buarque - one of the world's greatest and most beloved storytellers broadens her style and reach with a Amazonian adventure story that will appeal to all ages. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. With his mother in hospital, too ill to look after him, Alex is sent out to his grandmother Kate - a fearless reporter with blue eyes 'as sharp as daggers' points'. Kate is about to embark on an expedition to the dangerous, remote world of the Amazon rainforest, but rather than change her plans, she simply takes Alex along with her. They set off with their team - including a local guide and his daughter Nadia, with her wild, curly hair and skin the colour of honey - in search of a fabled headhunting tribe and a legendary, marauding creature known to locals as the 'Beast', only to find out much, much more about the mysteries of the jungle and its inhabitants. In a novel rich in adventure, magic and spirit, internationally celebrated novelist Isabel Allende takes readers of all ages on a voyage of discovery and wonder, deep into the heart of the Amazon.
