## Preposterous Erections: A Book of English Towers

By Peter Ashley

Frances Lincoln Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Preposterous Erections: A Book of English Towers, Peter Ashley, Eighteenth-century eye-catchers, nineteenth-century ego boosters, twentieth-century communicators, towers continually rise up into our collective consciousness. They are the landmarks of our journeys, the map pins of our personal geographies; always looked-out for, always in the corner of the eye. Preposterous Erections brings together sixty uniquely fascinating towers from all corners of England. From the parkland Brizlee Tower in Northumberland to the coastal Stepper Point in Cornwall, Peter Ashley tells us their stories through his own very individual photographs and his witty and irreverent commentary. Although there is an obvious core of eighteenth and nineteenth-century landowner's eccentricities, the more recent past is not forgotten, including the instantly recognisable Post Office tower in London's Fitzrovia and the more retiring Lewis's department store art deco tower in Leicester. Monument or observatory, watch tower or water tower, these are sixty of the very best. Preposterous Erections will arouse the interest of even the most casual observer.
